

To Proposal 17.51

At this point it needs to be noted that tillandsia trade has declined altogether. The natural populations are stable, thus one can support the proposal without hesitation.

Thank you Madame Chair.

Excerpt from the Summary record of the  
Seventh session of Committee I  
28 September 2016: 14h30 - 17h30  
Chair: K.Gaynor (Ireland)
